Important Information for 2009

This list is for informational purposes only and lists the major changes that have occurred since publication of the last hunt draw booklet. Individuals should thoroughly read and understand the appropriate regulations prior to making application or going afield. The 2008-09 Arizona Hunting and Trapping Regulations can be found at www. azqfd.gov, or at any department office or license dealer.

Archery Javelina Tags for the Archery Javelina Hunt in Units 11M, 25M, 26M, 38M, and 47M are now nonpermit-tags and can be purchased over the counter at any department office or license dealer (see page 4).

Juniors-Only Spring Turkey Tags for the Juniors-Only Spring Turkey hunts are now nonpermit-tags and can be purchased over-the-counter at any department office or License dealer (see page 4). If not filled during the spring hunts, these nonpermit-tags may be used during the fall if the Commission authorizes a Juniors-Only Nonpermit-tag Fall Turkey season.

General Spring Bear Tags for the General Spring Bear hunts in all open units, except 6B and Fort Huachuca, and the Archery Spring Bear hunts in Units 3B/3C and 33 are now nonpermit-tags and can be purchased over-the-counter at any department office or License dealer (see page 4). A Bear Nonpermit-tag purchased in the spring and not filled is valid for any authorized Fall Bear Nonpermit-tag season.

PDF Draw Application Form A new feature has been added to the downloadable paper hunt permit-tag application form found on the Department's Web site (www.azgfd.gov/draw). The Adobe Reader PDF form will now allow you to fill out the application form on your computer using your keyboard. Once the form has been filled out, it must be printed, signed and submitted by mail or delivery to any department office. The form can also be printed from your computer and then filled out using an ink pen. Remember, the online draw application process has been indefinitely suspended and is not available to apply for the draw. The use of paper applications is the only method available to enter the draw.

Apprentice License The Arizona State Legislature passed legislation allowing a licensed hunter to purchase an apprentice hunting license for use when mentoring a new hunter. The law, which takes effect Jan. 1, 2009, will afford new hunters opportunity to "try before you buy," under the supervision of a licensed hunter.

2009 Licenses Remember you must purchase 2009 licenses to enter in the spring draw. Licenses available through the draw include General Hunting, Adult Combination Hunting and Fishing, and Youth Combination Hunting and Fishing. License information can be found on page 4.

Juniors-Only Hunts Discounted youth hunt permit-tag fees apply only to Juniors-Only Hunts. If you are applying for any general hunts, the higher of the hunt permit-tag fees must be submitted.

Attention Hunters Operating Off-Highway Vehicles Hunters operating off-highway vehicles need to be aware of new OHV information. See page 16.

On the cover: Kathy and TJ Boyer with javelina and Nicole Fischer with a buffalo.

Who Can Go?

Everyone needs a license to hunt wildlife in Arizona. You need in your possession a valid hunt or combination hunt and fish license, plus any required hunt permit-tags, nonpermit-tags, or stamps. A Class H Three-Day Non-resident Hunting License is not valid for big game.

YOUNG HUNTERS – Anyone 14 years of age or older needs a license to hunt wildlife in Arizona. You need in your possession a valid hunt or combination hunt and fish license, plus any required hunt permit-tags, nonpermit-tags or stamps.

A person under 14 may hunt wildlife other than big game without a license only when accompanied by a properly licensed person 18 years or older. No more than two unlicensed children may accompany any license holder.

No one under the age of 14 may take big game without having completed a Hunter Education Course. No one under age 10 may hunt big game in Arizona. To hunt big game, anyone 10 to 13 years of age must have in their possession a valid hunt or combination hunt and fish license, a valid Hunter Education Course completion card, plus any required permittags, nonpermit-tags and stamps.

Where to Buy Licenses

Arizona hunting licenses can be obtained from license dealers throughout the state or from any Arizona Game and Fish Department office (see locations on page 2 of this booklet).

A list of license dealers can be found at www. azgfd.gov by selecting the license box on the home page.

If you are applying for a big game draw or bonus points, you may purchase your general hunt or combination hunt and fish license while you are entering your application for the draw. The license will not be mailed until the draw is completed. If you wish to use your license before the draw is complete, you must pre-purchase a license before applying. Family Licenses, Super Conservation Licenses, and Child General Hunting and Combination Licenses may not be obtained through the draw; these licenses must be purchased at department offices.

Lifetime License Holders

If a lifetime license holder changes residency status from Arizona, the licensee must then purchase non-resident stamps, tags, and permits. A non-resident tag or stamp can accompany your lifetime resident license. If you are a lifetime license holder who has moved out of state, the 10 percent non-resident cap does not apply to you. The lifetime license will remain legal for the taking of all wildlife as permitted by law. Residency may be re-established after moving back to Arizona and meeting the required time period as set forth by law. Consult A.R.S. 17-335.01 for additional information.

Residency Requirements

A resident is a person who has been a bona fide resident of the state of Arizona for six months immediately preceding the date of application for a license or a tag, or a member of the armed forces who has been stationed in Arizona for a period of 30 days immediately preceding the date of application for a license or a tag.

Arizona residents may purchase a resident license. All other individuals must purchase a non-resident license.

Three-Day Non-Resident License

A Class H, Three-Day Non-resident license, valid for the taking of small game, fur-bearing animals, predatory animals, nongame animals, nongame birds, upland game birds and migratory game birds, except ducks, geese and swans is available at all license dealers. This license is not valid for hunting big game nor is it valid when applying for big game hunts through the draw process.

Lost License or Tag Replacement

Lost licenses, hunt permit-tags and nonpermittags may be replaced for a fee at any Arizona Game and Fish Department license dealer. Consult R12-4-103 Duplicate Tags and Licenses for additional information. Stamps cannot be replaced, they must be repurchased.

Physically Challenged Hunters

Those hunters who are physically challenged may qualify for a Challenged Hunter Access/ Mobility Permit (CHAMP). Consult R12-4-217 for a description of this permit. Contact any Arizona Game and Fish Department office for additional information and application.

Non-US Citizens Wanting to Hunt in Arizona

Pursuant to new regulations by the U.S. Bureau of Alcohol, Tobacco and Firearms (ATF), non-immigrant aliens who want to temporarily import firearms and/or ammunition into the United States for the allowable purpose of taking wildlife will need an ATF import permit and valid hunting license in possession at the time of entry/import into the United States. For further information or to make application for the import permit, contact ATF's Firearms and Explosives Import Branch at (202) 927-8320, or download an application from the ATF Web site at www.atf.treas.gov.

Tag Transfers

Under Arizona Revised Statutes and Arizona Game and Fish Commission Rules there are ways people can transfer big game tags to children.

A parent, grandparent or legal guardian may allow the parent's, grandparent's or guardian's minor child or minor grandchild to use the parent's, grandparent's or guardian's big game permit or tag to take big game pursuant to the following requirements:

- The minor child is 10 to 17 years old on the date of transfer:
- The minor child has a vaild hunting or combination license on the date of transfer
- A minor child less than 14 years old has satisfactorily completed a department-approved hunter education course by date of transfer.
- The parent or guardian must accompany the child in the field or, if a grandparent allows a minor grandchild to use the grandparent's permit or tag, the grandparent, parent or the child's guardian must accompany the child in the field. In either case, the adult must be within 50 yards of the child when the animal is taken.

Once a tag is transferred, the original permittee may no longer use it.

A person may transfer his or her game tag for use by a child with a life threatening medical condition. Consult A.R.S. 17-332 for more information.

Disabled Veterar

Person must show certification from the Veteran's Administration confirming permanent service connected disabilities rated as 100% disabling, plus one or more consecutive years as a bona fide Arizona resident immediately preceding application for license.

The Draw

When the number of hunt permits for a species in a particular area must be limited to prevent over-harvest of wildlife, the Commission Order governing seasons for that species assigns a hunt number to a designated area, and a hunt permit-tag is required to take that species in that area. Hunt permit-tags are issued through a computerized random drawing. Big game tags not issued through the drawing process are nonpermit-tags. Nonpermit-tags may be purchased directly from Department offices or through license dealers, except for elk and Juniors Only turkey, which must be purchased at Department offices.

Qualifications

Individuals wishing to participate in a drawing or to purchase bonus points must apply in writing using the Hunt Permit-Tag Application Form.

Each applicant must possess a valid license for the year in which the hunt will take place or possess a lifetime, pioneer or disabled veteran's license. Non-resident Three-Day Class H licenses may not be used in applying for big game hunt permit-tags. Youth applying for big game hunts must be licensed. Applicants not licensed for the year in which the hunt will take place must submit the information and fees required for a license on each paper application submitted. Only one license will be issued to you and you will receive a refund for the other license fees submitted. The license will not be mailed until the draw is completed.

Applying For A Hunt

Paper applications for hunt permit-tags must be made on Hunt Permit-Tag Application Forms available at Department offices, Web site, and license dealers. Please use the current year's application form, that is WHITE in color. **Do not cut or alter application form.** Applications not prepared in a legible manner may be deemed not valid and shall be rejected as specified in R12-4-104(O). Use standard blue or black ink (no gel ink).

No more than four people may apply in one envelope. All applicants in a group must apply

for the same hunt number(s) and in the same order of preference on the same form.

No person may submit more than one valid application per genus of wildlife in any calendar year, except as specified in R12-4-104(L), when genera are drawn in multiple drawings.

No more than one genus may be included on each Hunt Permit-Tag Application Form. Use a separate form and envelope for each genus of wildlife you wish to hunt. You can list a general hunt as your first choice and another weapons type hunt for the same genus as another choice on the same application—just be sure they are in the same numerical series. Use only one application per genus, even if you are mixing weapons choices.

Only a single application and the correct fees must be included in one (1) envelope. More than one (1) application in an envelope may result in rejection of all applications.

Hunt Permit, Bonus Points Disclaimer

The issuance of any big game permit has no express or implied guarantee or warranty of hunter success. Any person holding a valid permit assumes the risk that circumstances beyond the control of the Arizona Game and Fish Department may prevent the permit holder from using the permit. In such situations, the Arizona Game and Fish Department disclaims any responsibility to reissue or replace a permit, to reinstate bonus points or to refund any fees, except under specific circumstances, such as activation of military or emergency personnel, as stated in R12-4-107.

Fees

When submitting paper applications, each applicant shall enclose the following fees:

- 1. The fee for the appropriate hunt permit-tag, which includes the permit application fee.
- Fee for a hunting license, if a license is requested. Be sure to enclose license fees on
 each application, if required, for each person who is applying on the application for
 a hunting license.

 Discounted hunt permit-tag fees are for "Juniors-Only" designated hunts. A youth must pay the higher fee unless applying only for "Juniors-Only" hunts.

Each payment enclosed with a hunt permit-tag application shall be made by certified check, cashier's check, money order, or personal check or draft payable to the Arizona Game and Fish Department. Cash will not be accepted and will result in rejection.

One personal check or money order can cover all fees for the application.

The permit and license fees are specified in the fee schedule on pages 4-5. The hunt permittag fees on page 4 include the non-refundable application fee.

A \$25 fee will be charged for each returned or dishonored check.

Submitting Applications

Applications (except first-come, sandhill crane, and raptor applications) may be hand-delivered to Department offices in Phoenix, Mesa, Tucson, Flagstaff, Pinetop, Kingman or Yuma. Mailed applications must be sent only to the Department's Phoenix Office at P.O. Box 52002, Phoenix, AZ 85072-2002. On deadline days, Department business offices close at 5:00 p.m. (MST), but applications can be delivered to drop boxes until 7:00 p.m., (MST). Drop boxes are locked promptly at 7:00 p.m., (MST). All applications must be received by the Department before the deadline. Deadlines for submission are specified in the Hunt Permit-Tag Application Schedule on page 18. Postmarks don't count.

Complete and proper preparation of an application is the sole responsibility of the applicant.

What Happens To My Application?

Any application not properly prepared, submitted with insufficient fees or one that is illegible is not valid and will be rejected.

If there is an error that will result in the rejection of an application and the application

Draw Information

is received by the Department on or before Thursday, September 25, 2008, we will make three attempts within a 24-hour period to notify you by telephone if a phone number is provided. If we are able to contact you by phone and our customer service representatives can correct the application at that time, they will do so and enter the application in the Draw. If an error cannot be corrected by phone, we will still attempt to notify you of the error and advise you to re-submit your application. The applicants may then prepare a new Hunt Permit-Tag Application Form, include the appropriate fees and re-apply by the scheduled deadline date.

If any applicant in a group is rejected for any reason, all other applicants in that group will also be rejected.

No hunt permit-tag will be issued to anyone in a group if there are not sufficient hunt permittags available for all applicants in that group.

Hunt permit-tags will be mailed to each successful applicant.

What If I'm Not Drawn?

Please use one of the methods (telephone or Internet) described on page 2 to access draw results. These methods of access shall serve as the official notification of draw results.

Over-payments and hunt permit-tag fees received with unsuccessful applications will be returned to applicant "A," as shown on the Hunt Permit-Tag Application Form. Application and license fees will not be refunded. You will not be issued or charged for more than one license.

If you or a member of your group elected to donate your fees or a portion thereof, the donation will not be refunded. A hunting license is required to apply in a drawing. If an application is rejected and a license has been requested, the license will not be issued.

Unsuccessful, valid applications will be awarded bonus points.

Big game hunt permit-tags remaining after the drawing will be issued on a first-come, first-served basis as specified in the hunt permit-tag application schedule on page 10.

Purchasing A Bonus Point Only

In the event you do not wish to participate in a big game drawing for deer, turkey, javelina, bighorn sheep or buffalo but still wish to accumulate bonus points for these genera, you may "purchase a bonus point."

When completing your application, you must choose the bonus point hunt number estab-

lished for that genus as your first choice. A bonus point hunt number is established within each applicable Commission Order. If you choose this hunt number, you may not choose any other hunt number on your application. If the bonus point hunt number is any choice other than the first choice or any other hunt numbers appear on the application, your application will be rejected. You may purchase only one bonus point per genus per drawing.

To purchase a bonus point, you must have previously purchased a hunting license or apply for a hunting license through the draw for the year in which the hunt will take place. You must also include the application fee per applicant. If applying for a bonus point, your application will **NOT** be entered into the draw and you will not receive a refund on the license fee or the application fee. Do not include the fee for the hunt permit-tag for the genus in which you are applying for the bonus point. A bonus point purchase costs you only the license fee (if needed) and the \$7.50 application fee per applicant.

If you apply for a bonus point only using the established bonus point hunt number, you may **NOT** submit another application for the same genus. To do so will cause both applications to be rejected as duplicate applications.

All applicants in a group must apply for the same established bonus point hunt number. The application will not be included in the random number drawing and the individual(s) on the application will each receive a bonus point for that genus.

In order to participate in the draw you must correctly fill out and sign a paper hunt permittag application form and submit it by mail or drop off to the Arizona Game and Fish Department along with a check or money order for the correct amount. Paper application forms are available at all department offices, more than 300 license dealers statewide, and as a downloadable PDF electronic document from the department's Web site at www.azqfd.gov/ draw. The use of the PDF form requires that the free Adobe Reader software be installed on vour computer. The PDF form can be printed from your computer and then filled out using an ink pen or you can fill it out on your computer using your keyboard. Once the form has been correctly filled out, it must be printed, signed and submitted by mail or drop off to the department along with a check or monev order for the correct amount. There is no online draw application process - only paper application forms mailed or dropped off at a department office are eligible for entry into the draw.

R12-4-104 explains application and drawing procedures in detail. Complete and proper preparation of an application is the sole responsibility of the applicant. If any applicant in the group fails to complete any required portion of the application, all applicants in the group will be rejected.

If you are not licensed for the year in which the hunt will occur, you must complete the License Application Form for each genus applied for and include payment for a license with each application. If you are drawn for more than one genus, only one license will be issued in your name. If you are not drawn, you will be refunded only the hunt permit-tag fee. Thank You Hunters and Recreational Shooters

Arizona's rich outdoor heritage is enjoyed by all — thanks to hunters like you, whose purchase of hunting and recreational shooting equipment supports wildlife management and habitat enhancement in the Grand Canyon State. When you purchase a rif e, ammunition, archery equipment, and other sporting gear, you pay a federal excise tax and import duties.

Since 1937, this money has been collected by the federal government and redistributed to the states using a formula

based on hunting license sales and the state's land area. In 2007, that meant over \$6.5 million for game management in Arizona. This money paid for game surveys, hunter education classes, wildlife water catchment construction, wildlife research and shooting range development and operations, among other projects.

Hunters like you are part of the largest and most successful wildlife conservation programs in the world... thank you.

Attention Hunters Operating Off-Highway Vehicles

Thanks in large part to a joint effort between Arizona sportsmen and off-highway vehicle (OHV) user groups, new regulations affecting off-highway vehicle use will go into effect Jan. 1, 2009. New requirements include:

- Staying on roads and trails. Travel by motorized vehicles that causes damage to wildlife habitat, riparian areas, cultural or natural resources or property or improvements is prohibited.
- Travel is limited to roads, trails and areas that are designated open by the land management agency for motorized vehicle use.
- Purchase of an annual sticker through the Arizona Department of Transportation Motor Vehicle Division (MVD) validating use of the OHV in Arizona. This will be a f at fee that is yet to be determined and will be applied to those OHVs primarily designed by the manufacturer for off-highway use and weighing 1,800 pounds or less. This includes all-terrain vehicles, side-by-sides (utility vehicles), dirt bikes, and sand rails. Trucks, sport utility vehicles (SUVs), cars, and other recreational vehicles (motor homes) will not be affected.
- Sound restrictions for OHVs generating sound greater than 96 decibels.

The goal of the new regulations is to provide better OHV man-

agement and protection of natural resources while maintaining access. Funds generated from this program will be used to help ensure sustainable opportunities by bolstering grant programs that pay for maintenance, signage, mitigation, education, and enforcement. Remember to leave no trace and that Nature Rules! Stay on Roads and Trails.

Note: Rules and policies were being developed at the time of this publication. For further information on the new regulations visit: www. azgfd.gov/ohv.

HOUSE ROCK BUFFALO HUNT SPECIAL NOTE: During the fall and spring hunts at the House Rock Wildlife Area (HRWA), a significant portion of the herd has in the past moved to the Grand Canyon National Park where hunting is not allowed. Hunters are advised that if this occurs, their ability to successfully harvest a buffalo may be significantly impacted. As with any hunt, circumstances beyond the control of the Arizona Game and Fish Department may prevent the permit holder from being successful. The Arizona Game and Fish Department and Commission disclaims any responsibility to reissue or replace a permit, to reinstate bonus points, to refund any fees, or to provide any other form of relief. The HRWA buffalo hunt is considered to be one of the most difficult hunts in the state. Buffalo can be difficult to locate. Plan on spending the entire season hunting, as an abbreviated hunt will lower your chances of success. Buffalo hunters must dress and care for their own animals; the Department will not assist. Take time to improve your physical condition. Hunters are often required to walk considerable distances (up to 8 miles) every day over rugged terrain. House Rock hunters should be prepared for remote and primitive conditions. High clearance or four-wheel drive vehicles are recommended. Some portions of HRWA are included in the U.S. Forest Service wilderness system that does not preclude hunter access but does limit their means of transportation and equipment usage. For more information, call the Flagstaff Regional Office at 928-774-5045.
